- v. The Council or committee member whose conduct is the subject of concern shall not take part in the deliberation or vote, however, he or she will be given a reasonable opportunity to respond to the allegation.

16. CONFLICTS OF INTEREST

16.01 Duty to Avoid Conflicts of Interest

All Council and committee members have a duty to carry out their responsibilities in a manner that serves and protects the interest of the public. As such, they must not engage in any activities or in decision-making concerning any matters where they have a direct or indirect personal or financial interest.

Because the circumstances of each case are unique, it is impossible to define in advance all forms of conflicts of interest. A “real” conflict of interest exists when a reasonable person, knowing all of the circumstances, would believe that the individual’s judgment would be influenced by the competing consideration. A potential conflict of interest is where a conflict of interest is not real at the time of the decision, but given the right set of circumstances, could manifest in the future. An apparent conflict of interest is where real conflict of interest is suspected, even though it does not exist. This impacts the image of the Council or the committee member, and undermines the confidence of the public in the decision, and even more so, the confidence of the public in the College’s ability to act in the public interest.

In the specific examples discussed below, Council will exercise appropriate discretion to ensure that all circumstances that would meet these tests of conflict of interest are addressed appropriately.

An individual has a conflict of interest where:

- i. a reasonable person could conclude that the personal and/or financial interests of the individual or a related person could influence the individual’s judgment in performing his/her duties;
- ii. the individual is not directly involved with the matter and attempts to influence another individual or College staff who are involved with the matter;
- iii. there is an actual, potential or perceived use of College information for personal gain;
- iv. there is an actual, potential or perceived use of the member’s position on Council for personal gain, such as employment, appointment or money;
- v. there is an appearance of bias (an appearance of bias being any personal interest or view that could be reasonably seen as precluding a Council member of exercising fair evaluation of all information and objective judgement and decision making); or
- vi. the member’s position (either present or previous) with another organization affects his/her decision-making abilities;

16.02 Recognition of Conflict

Council and Committee members recognize that a conflict of interest or an appearance of a conflict of interest by a member of Council or its Committees:

- i. could bring discredit to the College;
- ii. could amount to a breach of the fiduciary obligation of the person to the College; and
- iii. could create liability for either the College and /or the person involved.

16.03 Conflicts Relating to Involvement with a Professional Association

A member of Council or a committee member shall be perceived to have conflict of interest in a matter and should not serve on Council or its committees at all if he or she holds a responsible position, such as director, owner, board member, officer in or is an employee of any professional association relating to Kinesiology.

16.04 Conflicts Relating to Position in Other Organizations

A member of Council or a committee member would be perceived to have conflict of interest in a matter and should refrain from participating in any discussion or voting if he or she holds a responsible position such as director, owner, board member, officer in or is an employee of another organization where his or her duties may be seen by a reasonable person as influencing his or her judgment in the matter under consideration by the Council or its committees. For example, an educator should not participate in any decisions relating to the status of the school where he/she teaches, its program(s) or the acceptability for registration of graduates from that school.

16.05 Declaration Forms

Upon appointment or election, and annually thereafter if requested, every Council and Committee member and every member of a working group shall fully complete and deliver to the Registrar a form, available from the Registrar, declaring his or her current and recent affiliations with professional associations and other organizations to facilitate compliance with the above provisions.

16.06 Interests of Related Persons

For the purposes of this by-law, the direct or indirect personal or financial interests of a parent, spouse, child or sibling of a Council or committee member are interpreted to be the interests of the Council or committee member. Here, the term "spouse" includes a common-law spouse and a same-sex partner of the person.

16.07 Where a Conflict May Exist

Where a Council or committee member believes that he or she may have a conflict of interest in any matter which is the subject of deliberation or action by the Council or its committees, he or she shall:

- i. consult, as needed, with the President, the Registrar and legal counsel and, if there is any doubt about whether he or she may have or be perceived to have a conflict prior to any consideration of the matter, declare the potential conflict to the Council or the committee and accept Council's or committee's direction as to whether there is an appearance of a conflict;
- ii. where there appears to be a conflict of interest, not take part in the discussion of, or vote on, any question in respect of the matter;
- iii. where there appears to be a conflict of interest, absent himself or herself from the portion of any meeting relating to the matter; and
- iv. where there appears to be a conflict of interest, not attempt in any way to influence the voting or do anything that might be perceived as attempting to influence the decision of other members on the matter.

16.08 Conflicts Recorded in Minutes

Every declaration of a conflict of interest shall be recorded in the minutes of the meeting together with a description of the nature of the conflict.

16.09 Use of College Information or Property

A member of Council or a committee member shall not use College property or information of any kind to advance his or her own interests, direct or indirect.

16.10 Staff Positions

A member of Council or a committee member may not hold any other position, contract or appointment with the College while serving as a member of Council or its committees. There is a one-year waiting period before the individual may apply for a staff or consultant position with the College. This includes, but is not limited to, positions as peer assessor, investigator, inspector, examiner or staff.

17. CONFIDENTIALITY

17.01 Duty of Confidentiality

Members of the Council and committees, staff and persons retained or appointed by the College are required to maintain confidentiality of information that comes before them in the course of discharging their duties unless disclosure is authorized by the Council or is otherwise permitted under section 36(1) of the RHPA.

17.02 Subsection 36(1) of the RHPA

Subsection 36 (1) of the RHPA states, in part, as follows:

36. (1) Every person employed, retained or appointed for the purposes of the administration of this Act, a health profession Act or the Drug and Pharmacies Regulation Act and every member of a Council or committee of a College shall keep confidential all information that comes to his or her knowledge in the course of his or her duties and shall not communicate any information to any other person

17.03 Disclosure under the RHPA

Subsection 36(1) of the RHPA permits disclosure in a number of specific circumstances. Members of the Council and committees, staff and persons retained or appointed by the College are expected to understand when those exceptions apply and seek advice if they are in doubt.

17.04 Confidentiality Agreement

Council and Committee members, staff and persons retained or appointed by the College are required to sign, annually, the confidentiality or fiduciary agreement approved by Council.

All messages to the media and to the public must be consistent with the approved policies and positions of the College. 18.04 Invitations for Speaking Engagements

All requests inviting the President, the Registrar and/or members of Council or committees to speak in his or her capacity as a representative of the College must be submitted, in writing, to the Registrar's office with details of the date, time and place of the speaking engagement, as well as the topic and anticipated length of the presentation.

18.05 Acceptance of Invitations for Speaking Engagements

The Registrar, in consultation with the President, where possible, will review all requests inviting members of Council or committee members to speak and shall determine whether to accept the invitation and the appropriate representative to address the topic. Other than as described above, no member of Council or of a committee shall accept any request to make representations or speak on behalf of the College in his or her capacity as a representative of the College.

Before the first regular meeting of the newly elected Council each year or at any other Council meeting designated for the purpose by Council resolution, the Registrar shall send an invitation to all Council members requesting any person wishing to stand for election to the offices of the President, Vice-President and Executive Committee member to indicate so, in writing, to the Registrar.

A member's written intent must be supported by the signatures of two other members.

Attachment 2 to Schedule 4 Terms of Reference for the Item Writing Committee

Definitions

“Examination Committee” means a standing committee of Council appointed to direct the development and management of the entry-to-practice examination which is required of applicants for registration.

“The exam provider” means a company hired by the College of Kinesiologists of Ontario to develop and administer the entry-to-practice, competency-based examination to qualified applicants to the College.

1. Purpose

The Item Writing Committee (IWC), acting under direction of the Examination Committee and the exam provider, is responsible for the development of test items which correspond to the approved Examination Blueprint and for reviewing items for accuracy, appropriate level of difficulty and currency with practice.

2. Accountability

The Item Writing Committee is a standing committee of Council and is accountable directly to Council.

Council will ensure that members of the Item Writing Committee receive training in their role and in carrying out their responsibilities on the Committee. In addition, Council will ensure that members receive such legislated training and other training as deemed necessary by Council for the effective discharge of their responsibilities.

3. Membership

The majority of members of the Item Writing Committee will be recruited and appointed from among the membership of the College and from among volunteers who have a thorough knowledge and understanding of kinesiology practice in Ontario.

The Item Writing Committee shall be comprised of up to thirty-six (36) persons appointed by Council. This initial Committee will create and maintain a robust item bank from which the entry-to-practice examination test forms will be constructed according to the approved Examination Blueprint.

Each year, panels of the Item Writing Committee will meet to develop additional items for the item bank and will replace poorly performing items identified by the exam provider and the Examination Committee.

The total period which an appointee may serve on the Item Writing Committee shall not exceed six consecutive years. An appointment may be renewed by Council.

At least two members of the Item Writing Committee must be proficient in French.

4. Selection of Item Writing Committee members

Each year the Registrar will issue an invitation to College members to volunteer to serve on various committees including the IWC. The Registrar will contact university and college kinesiology degree-granting programs to invite volunteers from among faculty members to participate as item writers.

In reviewing applications, the Examination Committee will consider the current composition of the IWC and the needs of the IWC for particular areas of knowledge and experience to ensure broad representation from all areas of practice in kinesiology and will propose to Council the addition of new item writers as necessary. Consideration will be given to the following:

- Geographic representation;
- Area of practice, expertise and knowledge;
- Years of experience;
- Gender;
- Language (French or English);
- Currency of practice;
- Other relevant experience; and
- Academic diversity.

5. Structure of the Item Writing Committee

Panels of the Item Writing Committee will be called by the College to participate in structured workshops generally facilitated by the exam provider. No meeting of the full Committee will occur.

The item bank must be continuously updated to ensure that recent developments in kinesiology are reflected in the items and to mitigate against security breaches by ensuring that multiple examination forms can be developed at short notice.

6. Expenses and remuneration of members

Remuneration of members of standing committees will be in accordance with the approved By-laws of the College of Kinesiologists of Ontario.

Members who are required to travel in order to participate in meetings will be reimbursed for travel expenses according to approved policies on reimbursement of travel expenses.

7. Expected time commitment

The item writing and review process has been designed to be flexible, cost effective and includes a mix of on-site and off-site item-writing. Training and guidance are provided by the exam provider along with editing and psychometric review.

As required, specific panels may be called to augment the number of items relating to a specific area of practice or to complete special tasks relating to the preparation guide or to the item bank. Panels of item writers will be called together each year to develop items, to review items and to review and validate translation of items. Not all members may be requested to participate in a panel in any given year. Total time commitment will vary depending upon the development of items prior to workshops. Any panel meeting is likely to be 2-4 days.

8. Responsibilities

Working under the direction of the exam provider and the Examination Committee, the IWC will be responsible for the following:

- Development of test items which correspond to the Examination Blueprint; and
- Reviewing items for accuracy, appropriate level of difficulty and currency with practice.

9. Confidentiality and risk management

Appointees to the IWC will have access to highly sensitive and confidential information. Any breach of confidentiality will result in serious costs to the College and could result in delays for individuals wishing to register with the College as members. The College requires each appointee to sign and adhere to a binding Confidentiality Agreement.

10. Confidence

The College is statutorily mandated to protect the public and is therefore accountable for having defensible examinations that are valid, reliable and fair.

Members of all committees of Council are expected to adhere to the Code of Conduct approved by Council. While not all members of the Examination Committee will necessarily be members of the College, in accepting appointment to the Committee, they will be held to the Code of Conduct.

11. Insurance and Liability

The College has contracted with an insurer for:

- Directors and Officers and Errors and Omissions Liability;
- Commercial General Liability; and
- Board member, Employee and Volunteer Accident Death and Dismemberment Travel Insurance.
