Principles

The College's refund policy is based on the general principles of fairness, transparency and consistency.

1. The Council of the College has set fees for various services which enable the College to have sufficient revenues to carry out its day-to-day operations as established by the *Regulated Health Professions Act, 1991* and the *Kinesiology Act, 2007* and the regulations relating to these acts. The College operates as a not-for-profit corporation without share capital.
2. Refund of the annual registration and other fees are provided under the conditions listed below.
3. Eligibility for a refund will be determined based on the date the member/applicant makes the request in writing to the College.
4. Refund cheques will normally be mailed within six (6) weeks after eligibility has been determined.
5. If a member/applicant has incurred an obligation to pay fees, but has not yet paid in full, the refundable amount is applied to reduce the outstanding balance.
6. The following fees will not be refunded:
 - a. Application
 - b. Jurisprudence e-learning Module
